### URGENT:

AAUW Members !!

We have Tech Savvy coming up on March 11, 2023. We still have room for more girls and parents. Is there someone you can reach out to and get them registered for this great opportunity? All women in the fields of STEM are doing the hands-on in the morning and we have great keynote speakers. **Share the Tech Savvy Registration link <https://appleton-wi.aauw.net/tech-savvy/> and let’s get more girls attending!**

### Reminder: Branch Meeting—Tuesday, March 7th

Please support our DEI (Diversity, Equity, and Inclusion) Outreach Effort by **bringing a donation** of feminine hygiene , personal care products, or baby supplies like diapers, wipes, etc. We will give them to our speaker for her World Relief Refugees' needs.

**Plans are firming up for a Special Branch meeting in April via Zoom to present information about "AAUW's Greatest Needs Fund" and provide opportunities for discussion regarding our contribution of Book Sale proceeds to it. Watch for an announcement about exact date and time very soon. The Board looks forward to getting input from our members.**

Note to Tech Savvy Volunteers!

Thank you so much for volunteering at Tech Savvy on March 11! We will be contacting you individually a few days before the event to give you your assignments for the day and the time you need to arrive at the university.

If you are available on Friday, March 10th, please join us for the orientation at the university at 1:00 pm. We will be touring the facilities, answering questions about each volunteer position, and preparing goodie bags. Please plan to wear your Tech Savvy t-shirt on the day of the event. If you have ordered a new shirt it will be available for pick up at the orientation or when you arrive at the event.

Looking forward to another successful Tech Savvy!
